Samik Parajuli

A proactive and community-driven professional with a passion for problem-solving and making a meaningful impact. Known for maintaining composure under pressure, I thrive on tackling challenges with optimism, creativity, and a solutions-oriented mindset. Whether in technical projects or collaborative environments, I bring disciplined initiative and a commitment to excellence, both professionally and in service to others.

ACHIEVEMENTS

Academic Achievement

- Achieved a CGPA of 3.50 in secondary school while actively serving as School Representative.
- Achieved a CGPA of 3.63 in Higher School while engaging in the robotics and IT club.
- Organised an event of CTF which gathered 30 participants.

TRAINING/CERTIFICATIONS

Fortinet Network Security

Dursikshya / 2024

- Gained a strong understanding of cybersecurity fundamentals, including attack vectors, threat analysis, and risk mitigation strategies.
- Acquired practical experience in Linux administration (file systems, permissions, scripting) and penetration testing tools (Metasploit, Kioptrix), along with basic cryptography concepts.

Basic Networking & Routing

Cisco Networking Academy / 2025

- Received practical training in core networking concepts, including LAN/WAN infrastructure, VLAN configuration, DHCP/DNS management, and TCP/IP protocol analysis. Developed hands-on skills through lab simulations and troubleshooting exercises.
